To The Finish MUG CLUB

The new 2014 **To The Finish, LLC MUG CLUB** is a mileage club to achieve the most race miles you can this year. This mug club is for all levels of running and walking. Best of all it is **FREE!** You obtain miles by participating in races timed by To The Finish, LLC. Please visit our [race calendar](#) to see the races we time (most are within the tristate area. We timed a total of 59 races in 2013 and anticipate more in 2014).

Requirements: No signup is necessary! Anytime you run a race that is timed by "To The Finish, LLC", you will be added to the club. After you have participated in two races, you will be listed on the [mileage page](#). The mileage page lists all the races you are in and adds the total for you. If we missed a race that you were in, please [email us](#) for a correction.

Award Levels: The award levels are as follows: 25K, 25 mile, 50K, 50 mile, 100K, and 100 mile. At each award level you will receive a glass mug of the level to go with your accomplishment. After reaching these levels, you will be contacted by To The Finish to get your award nearby or pick it up at the next race. Then at the end of the year, we will award the top two males and females with the most miles a great prize package including a mug of their total miles.

Random Free Entries: The first 5 people to each level will be eligible to win a random drawing of a free entry to a future 5K race timed by To The Finish, LLC. Also after 25 people are in any level we will draw again for another free entry. Only one free entry per person.
